

16th International Conference on

Sustainable Waste Management & Circular Economy and IPLA Global Forum 2026

December 10-12, 2026, **Venue:** Sai Hira Global Convention Centre, Prasanthi Nilayam, Puttaparthi, Andhra Pradesh, India

(Official Pre-event of 14th Regional 3R & CE Forum in Asia and the Pacific 2027)

Under the aegis of : International Society of Waste Management, Air and Water (ISWMAW)

**International
Society of Waste
Management Air
and Water**

**International Partnership for
Expanding Waste Management
Services of Local Authorities**

Organisers:

Love All Serve All

Sri Sathya Sai Central Trust (SSSCT), Prasanthi Nilayam, Andhra Pradesh, India

Sri Sathya Sai Institute of Higher Learning (SSSIHL), Prasanthi Nilayam, Andhra Pradesh, India

International Society of Waste Management, Air and Water (ISWMAW), India

International Partnership for Expanding Waste Management Services of Local Authorities (IPLA) - (A SDG Partnership)

Consortium of Researchers in International Collaboration (CRIC)

In Collaboration with: United Nations Centre for Regional Development (UNCRD)

Submission: Abstract in 200 words by September 30, 2026; Full Paper in 6000 to 10,000 words by October 30, 2026

[**Template:** A 4 size, 11 Times New Roman font, 25mm margin each side, title, authors name, affiliation, address, email & mobile no.] **Submit to the link:** <https://forms.gle/PDxL7FnWmScXMwLw5> ; **and mail to:** publication.iconswm@gmail.com, and iconswm.ce@gmail.com cc to: iconswmce@ssscsd.sssihl.edu.in ; Visit: www.iswmaw.com

Special Issues: The Journal of Solid Waste Technology and Management (JSWTM) and **International Journal of Energy Sector Management and Books** will be published by publishers of international repute, Springer Nature, CRC Press, Elsevier, Benthan Science and Apple Academy. *1st Special Issue of Journal of SWTm will be released in the Inaugural Event on 10/12/2026.* Send Full Paper soon for consideration in the 1st SI of the Journal.

All delegates have to register for the 16th IconSWM-CE & IPLA Global Forum 2026. Visit: www.iswmaw.com & Brochure Part 2.

Topics of Interest in the conference:

- ☐ **Code A:** Circular Economy & 3R, SWM Rules 2026, EPR, Legislation, Policies, Governance, implementation, Smart Cities, SDG goals.
- ☐ **Code B:** Zero Waste City, Zero Waste and Circular Economy in Campus,
- Code C:** Solid Waste Management (Municipal, Plastics, E-Waste, Industrial, Hazardous, BMW, C&DW, Metal, Textiles, ELV, Steel Slag, Fly Ash), Waste from War, Space waste.
- ☐ **Code D:** Technologies & Innovation (Treatment, Recycling, Coprocessing, Implementation, Energy & Material Recovery, Valorization)
- ☐ **Code E:** Liquid Waste Management (Wastewater, ETP, STP, Sludge).

- ☐ **Code F:** Bioprocesses, Biogas, Bioenergy, circular bioeconomy; Food, Agricultural & Biomass Waste, Composting
- ☐ **Code G:** Case Studies, Best Practices, Reverse Logistics, Supply Chain Sustainability
- ☐ **Code H:** Business Models, Feasibility Studies, Theoretical Modelling, Entrepreneurship and Sustainable Development. etc.
- ☐ **Code I:** Waste-to-Energy & other Value-added product, Secondary Raw Materials, Nature-based Solutions,
- ☐ **Code J:** Artificial Intelligence, Machine Learning; IOT and Robotics for Sustainable Waste Management,

Featuring the 4th School Children's Congress on Waste Management and Circular Economy

IconSWM - ISWMAW: Sustainable waste management, sanitation and resources conservation are fundamental goals of the United Nations, articulated in SDG 2030 which has direct bearing on the quality of life for all. IconSWM is one of the biggest and popular conference platforms established by ISWMAW in 2009 in India. This 16th edition will deliberate on policy, innovation, implementation & Circular Economy in solid and liquid waste management. It is the official pre-event of Intergovernmental Regional 3R Forum in Asia and the Pacific to be held in 2027 by Govt. of Japan and UNCRD. ISWMAW's 'Catch Them Young: Zero Waste & Circular Economy in Campus' is another flagship mission, in which. 5,32,600 school children in nine countries have been working to bring radical change in mindsets from waste littering to waste utilization and livelihood earning.

Prasanthi Nilayam, 'the abode of Highest Peace', is the main ashram of Sri Sathya Sai Baba, located near the village of Puttaparthi amidst rolling hills, with the river Chitravathi flowing to its east. The valley houses the divine sannidhi (sanctum) of Sri Sathya Sai Baba in the Sai Kulwant Hall, a sarva dharma stupa, residential complexes, the headquarters of the Sri Sathya Sai Central Trust (SSSCT), its allied institutions including a Global Convention Centre, and Sri Sathya Sai Seva Organisations. The hallowed township is the destination for thousands of spiritual aspirants of varied cultures, faiths, races and languages from all over the world to be in His divine presence and experience His pure love. The SSSCT is a public charitable trust set up in 1972 with the objectives of extending relief to the poor, including education and health, and any other objects of general public utility, all free of cost without any discrimination. A spiritual and sustainable lifestyle is practiced throughout Prasanthi Nilayam which is already at the forefront of becoming a NetZero & zero waste entity. Sri Sathya Sai Institute of Higher Learning, a one-of-its-kind university combines academic & research excellence, provides a holistic framework of inter-personal development for its students similar to the ancient Indian 'gurukula' system of education. For details, visit: <https://www.srisathyasai.org/pages/index.html>

Communications: IconSWM-ISWMAW Head Quarters & Secretariat & IPLA Global Secretariat:

Prof. Sadhan K. Ghosh, Founder & Chairman, IconSWM-CE, Kolkata, ISWMAW, Kolkata - 700041, India; M : +91 9830044464 / 8777686385 / 9038115542, Email: iswmaw@gmail.com; Other phones : +91 9853198534 / 9831050447; Web : www.iswmaw.com
